Benefits of Student Membership

- The ISA INTECH magazine delivered either by paper or electronic delivery.
- The Ireland Section INCON newsletter emailed to you approximately five times a year.
- You can attend the Ireland Section main committee meetings as an observer.
- You can attend the Ireland Section AGM and fully participate in the proceedings.
- You will have access to the websites of the Ireland Section, the European District 12 and ISA with extensive areas on technical papers, presentations and web seminars.
- You will have network facilities with respect to employment.
- You can be facilitated and supported by the Ireland Section in organising an autonomous Student Section within your college and thence manage your own affairs reporting directly to European District 12.
