

TECH TALK

"Pharmaceutical Instruments Receipt Verification"

Rochestown Park Hotel, Cork

Wednesday 15th February, 2017, 19:30pm

In this presentation you will learn about the requirement for Pharmaceutical Instrument Receipt Verification. We will look at the current conventional approach taken to this task and put forward an approach whereby the typical bottleneck at C&Q is eliminated. We will demonstrate an innovative business model that reduces instruments project delivery time, while consistently delivering the right instruments on time to the project along with the right documentation to help ensure Audit success.
