ISA Ireland OT Cybersecurity Conference 2023

Advancing OT cybersecurity in your control and automation systems

Mullingar Park Hotel, Mullingar, Co. Westmeath <u>N91 A4EP</u>
Tuesday 21st of November 2023

Conference organised by ISA Ireland in partnership with Cyber Ireland

CALL FOR CONFERENCE PAPERS/SPEAKERS

THE THEME OF THE *ISA IRELAND OT CYBERSECURITY CONFERENCE 2023*: "ADVANCING OT CYBERSECURITY IN YOUR CONTROL AND AUTOMATION SYSTEMS".

WE INVITE PROFESSIONALS, RESEARCHERS, AND EXPERTS IN THE AREA OF OT CYBERSECURITY WITHIN IRELAND TO CONTRIBUTE THEIR INSIGHTS, EXPERIENCE AND RESEARCH.

CONFERENCE TOPICS: WE WELCOME PAPERS FROM THE OT CYBERSECURITY COMMUNITY FOR PRESENTATION DURING OUR 2023 CONFERENCE. SUGGESTED TOPICS INCLUDE:

- AI applications to OT cybersecurity.
- Skill Gap and Cultural Change in OT cybersecurity.
- Collaborative Threat Intelligence Sharing.
- IT-OT convergence.
- NIS2 Directive.
- Implementation of CSMS based on ISA/IEC-62443.
- OT anomaly detection system.
- Cloud applications for ICS/OT: security challenges and considerations.
- Third party risk management /supply chain security in ICS/OT.
- OT vulnerabilities management: how to assess, prioritize and mitigate.
- Penetration testing in the ICS/OT environment.
- Using ISA/IEC-62443 for OT risk assessment/guidelines.
- OT Cybersecurity best practices / Case studies in manufacturing or critical infrastructure.
- Incident response for ICS/OT.
- Other topics you believe may be of interest related to OT Cybersecurity.

Guidelines for Papers:
- Authors are requested to submit an abstract of their paper by **Friday 15th September**.
- The committee will review abstracts by **Friday 29th September**.
- Authors of accepted abstracts shall prepare detailed presentation slides and submit them for the final review of the Conference Technical Committee by **Friday 27th October**.
- Final presentations, incorporating the Committee's feedback, shall be submitted by **Monday 6th November**.
- Presentation slides should be developed using the provided conference template.
- The content of the presentations should be aligned with the conference objectives and themes.
- Presenters are expected to adhere to a presentation duration of 15-20 minutes.
- The slides should not contain promotional content for products, organizations, or individuals.
- Authors should provide a brief biography and a photograph along with their abstract.

All submissions and enquiries related to the 'Call for Papers' should be directed via email to isaconference@isa.ie.

We eagerly anticipate your contributions.
