## BONUS EVENTS – Cybersecurity simulation workshop

You are invited to our **Bonus Workshop** on evening Monday 18th - 18:30, - 20:30 sponsored by BT.

This session will outline for participants stages of a realistic cyber incident scenario, simulating the dynamics of a cyber attack. You will be formed into teams and given roles in discussions groups to the next best steps to take to mitigate this attack effectively.

You will gain valuable insights into the ongoing threats posed by cybersecurity attack and and we hope this will be the only time you will ever experience what it is like to be dealing with a cyber attack.

A networking reception with food and refreshments will follow this event at 20:30 until 22:00.

*Monday 18th of November 2024 from 18:30 – 20:30*
